

OraVet Barrier Sealant for Dentals

OraVet Barrier Sealant creates an invisible barrier on the teeth to prevent plaque and calculus-forming bacteria from attaching to the teeth. For an additional \$47.50, we will apply the sealant as the final step of your pet's prophy. You will also receive the OraVet 8-week home care kit.

Yes, I want my pet to receive the OraVet Barrier Sealant, plus the home care kit.

No, I do not want my pet to receive the OraVet Sealant.
